

RedLinz Change Request

pasted-screenshot

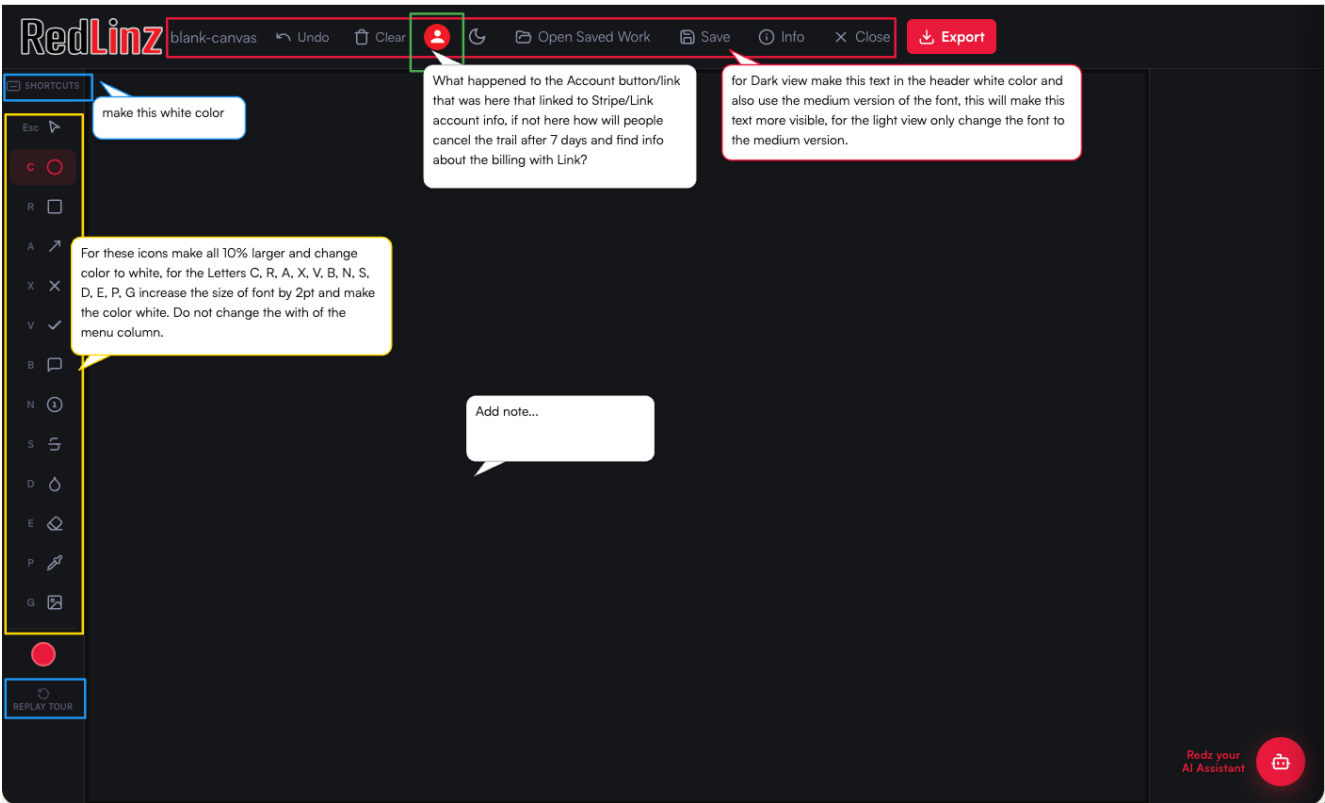

This document is a visual change request generated by RedLinz (redlinz.com). It covers 1 image. For each image you will see: (1) the original, unmodified image, (2) the same image with numbered markup showing exactly what to change, and (3) the specific instructions for each numbered mark, expressed as text with both percentage and pixel coordinates. A machine-readable JSON version of every annotation is included as an appendix at the end. Please review each image and apply the requested changes.

Image 1 of 1: pasted-screenshot

Original (before)

Markup (requested changes)

Instructions

I've annotated "pasted-screenshot" with the following requested changes.

Refer to the attached annotated screenshot; each numbered item below corresponds to a red marker on the image (positions given as % of image + pixel coords).

1. [Rectangle] centered at 40% across, 4.2% down (562,36px), covering roughly 773×41px (55%×4.8% of the image)
-> Change this element
2. [Callout note] pointing at 55% across, 5.7% down (773,49px) -> Callout note (pointing at the target): "for Dark view make this text in the header white color and also use the medium version of the font, this will make this text more visible, for the light view only change the font to the medium version. "
3. [Rectangle] centered at 3.2% across, 46.2% down (45,393px), covering roughly 82×551px (5.8%×64.8% of the image) -> Change this element
4. [Callout note] pointing at 5.8% across, 45.7% down (82,388px) -> Callout note (pointing at the target): "For these icons make all 10% larger and change color to white, for the Letters C, R, A, X, V, B, N, S, D, E, P, G increase the size of font by 2pt and make the color white. Do not change the width of the menu column."
5. [Rectangle] centered at 3.5% across, 10.4% down (49,89px), covering roughly 93×27px (6.6%×3.2% of the image)
-> Change this element
6. [Callout note] pointing at 7.4% across, 9.7% down (104,82px) -> Callout note (pointing at the target): "make this white color "
7. [Callout note] pointing at 35.7% across, 59% down (501,501px) -> Callout - see attached image for the target
8. [Rectangle] centered at 3.3% across, 86.7% down (46,737px), covering roughly 85×41px (6%×4.8% of the image)
-> Change this element
9. [Rectangle] centered at 32.9% across, 4.8% down (462,41px), covering roughly 56×61px (4%×7.2% of the image)
-> Change this element
10. [Callout note] pointing at 32.4% across, 5.7% down (456,49px) -> Callout note (pointing at the target): "What happened to the Account button/link that was here that linked to Stripe/Link account info, if not here how will people cancel the trial after 7 days and find info about the billing with Link?"

Please apply all marked changes.
